

AJSAR General Membership Meeting in celebration of Founders Day
07December2017

Andrew Jackson Chapter, SAR has reserved the **theater at The Hermitage** at 6:30 pm (Dan, that is 1830 hours) on Thursday 07Dec2017. In Dec1817 General Andrew Jackson was called to help Georgia prevent ravages by Seminole warriors. On 07Dec1917, US declared war against Austria-Hungary. On 07Dec1941, there was Pearl Harbor. West Point graduate, Senator Dr. **Mark Green** rejected an invitation to serve as Secretary of the Army. But AJSAR is more fortunate than US Army. Mark has accepted our invitation to speak as we celebrate Founders Day. Stay tuned to AJSAR.org for program announcements.

The Hermitage has generously agreed to provide us the 120 seat theater for the evening. **Eat before you come.** We will not serve dinners. You may contribute to the preservation and public display of Andrew Jackson's Hermitage at the fishbowl in the lobby.

We will **reserve places** in the theater through http://ajsar.org/?page_id=4 the **contact us** tab at AJSAR.org. Enter subject 07Dec2017 and give the **names of attendees** in the message box. After we and our friends fill the seats, up to two dozen standing room reservations may be granted. We want to fill every chair without leaving folks out in the weather. In the event of postponement due to Japanese attack or inclement weather, we will by 3:00 (1500 hours, Dan) post an announcement at http://ajsar.org/?page_id=87.

At the 2016 AJSAR meeting in the theater, 90 some guests heard Randell Jones' presentation of Overmountain Victory Trail. If you missed it or have forgotten a bit, click on <https://www.youtube.com/watch?v=2mMDddd242w&feature=youtu.be>
